

# **ARTICLE 2: WEATHER NO OBSTACLE AS CHESTERHOUSE COME TO THE RESCUE**

The weather may have expected to play its part on the final day due to a harsh downpour the previous evening. However, Chesterhouse battled time and the elements and ensured a final day success with all 3 fixtures taking place successfully. We thank Lee Ross and Sonya Adams for their warm Northern Suburbs hospitality.

The matches took place with beautiful mountainside backdrops, horses within eyeshot and the wine lands setting on either side. We were truly privileged to experience cricket quality in a tranquil naturistic setting.
