

# **ARTICLE 3: VERNON PHILANDER OUR TOURNAMENT GUEST**

Excitement was in the air as we were fortunate enough to be visited by Protea and Cobra cricketer, Vernon Philander, who graciously mingled with the players, gave encouraging words and autographs to the players.

This high-profile player was as modest and down to earth as reports suggest, and humbled himself as if one of the boys. It truly was a privilege to meet with this International superstar and find out that he is just like one of us; and we can aspire to be just like him.

Vernon Philander's participation and involvement at our Pro20 cricket tournament was courtesy of his sponsor and our friends from DP CRICKET. A sincere thank you to Paul and DP Cricket, and we wish you well with your successful and widely recognized cricketing brand of products.
