

ARTICLE 4: FAIRMONT PRO20 RECEIVE NATIONAL TELEVISION COVERAGE

To add further excitement to our already successful Pro20 tournament, we received national television exposure via SABC3 Espresso Show who took footage throughout the day's proceedings. Television interviews were taken with Vernon Philander, our Pro20 tournament organizer, both tournament finalist's captains and the day's sponsor 'Deep Heat'.

The edited program will be televised on Tue morning 9 Oct-12 on the Espresso Show (6am onwards). We thank Deep Heat for the arrangement thereof and for their gracious support of our tournament. Complimentary sports massages were given to players and supporters throughout the day, as well as complimentary product samples supplied to all. Deep Heat furthermore sponsored the Tournament Batsman and Tournament Bowler trophies.

We wish to thank Deep Heat and SABC3 Espresso Show for their involvement at our Pro20 tournament.
